AMENDMENT

The Commissioner of Patents and Trademarks

Washington, D. C. 20231

Sir:

This paper is submitted in response to the Official Action dated September 9, 2002 in the above-identified application. Kindly amend the application as follows.

In the Title

Please change the title to read "CHROMONE ENTERIC  
A1 RELEASE FORMULATION".

In the Specification

Please add the following text as a new page 65 of the application having a page heading "Abstract of the  
A2 Disclosure".

Orally administered chromones have been found to be effective in the treatment of allergic conditions such as
